Prachin Bhartiya rajaon ne Science ka mahatva nahi samjha, barna desh kabhi aakantaon ke haath nahi jata.

Jitna kam hamare purbajon ne Metaphysics ke chhetra mein kiya, yadi uska dasban hissa bhi Physics mein kiya hota, to Bharat kabhi gulam nahi hota. Hamare purbaj dusmanon se dileri se lare, par unke pas atyadhnik astra-sastra nahi the. Raja Puru, Raja Dahir, Raja Prithwi Raj Chouhan, Bahadur Shah se lekar Netaji Bose ke yudhha se yahi sikh milta hai ki Technology mein age raho, pichar gaye to nischit hi gulam banoge.

Jis tarah aaj America daharta hai kisi ko kuchh nahi samjhata cahe O Rus ho, ya China ya Europe. Hamare PM Modiji bhi daharte yadi unke pas Technology ka backing hota to.

Ab bhi der nahi hua hai. Apne bachon ko Science, Technology, Math, Engineering parhiye. Apne jeevan mein Technology ke mahatwa ko samjhen, taki aane wale KAL mein apni suraksha kar saken.
